Year 7

Entry in September 2020

Please complete this form using black ink in BLOCK CAPITALS

This form should be filled in by everyone applying for a Sports Aptitude place at The Fulham Boys School and returned by midnight on 1 October 2019 to:

FBS Admissions
The Fulham Boys School
11 Mund Street
Gibbs Green
London W14 9LY

All applicants will receive an email invitation to attend a sports aptitude test. These tests will be held in mid-October, dates to be published by 1 September, with parents notified of their appointed date by email a week in advance. One alternate date will be offered.

No prior sporting prowess will be taken into consideration. The aptitude tests will be based on the Skill Related Fitness Tests and the Health Related Fitness Tests used by professional bodies, clubs and organisations.

All applicants who take the sports aptitude test will be ranked according to their performance. We will notify parents of the results of the test and their son's ranking by 31st October. This ranking will also be passed on to the Pan-London Admissions Board. Starting with the highest ranked applicant, they will then be offered a place provided FBS is either first on their Common Application Form or above any of the other schools at which they are eligible for a place. This continues down the list until up to 8 sports aptitude places have been made in total. The sports places will be offered at the beginning of March at the same time as all other offers of places.

Please note you must also apply by listing FBS on the local authority's Common Application Form. This needs to be returned by midnight on 31 October 2019, either online at www.eadmissions.org.uk/eAdmissions/app, or obtained from your local authority and returned to your local authority.
